We are fortunate to have almost 100 people volunteering for us on a weekly basis at our Rangiora, Kaiapoi and Oxford libraries. Volunteers assist us with the shelving of returned items as the library deals with approximately 40,000 returned items per month. Some volunteers assist by delivering materials to the housebound. Other avenues of participation are available through the Friends of the Library and the Libraries Trust. All of these contributions matter and make a real difference.

Library volunteers come from all walks and ages of life – some are new to the District and wanting to make connections in the community; others want to give something back to the place they have lived all of their lives. Volunteers greatly contribute to the positive experience and enjoyment of the 400,000 people who visit and borrow from the libraries each year. If you'd like to join in, please visit your local library for more details.
